RESOLUTIONS PASSED AT A PARTNERS’ MEETING

In view of the current changes in the economy and the securities market in the PRC, private equity funds in the PRC tend to be more cautious and exercise higher level of diligence in identifying investment projects. Up until now, the Fund has yet to identify any suitable investment opportunities. In order to enhance efficiency in the utilization of the capital, the partners of the Fund (the “**Partners**”) agreed to adjust the payment method of the Capital Contribution and amend certain terms of the Limited Partnership Agreement.

In light of the above, resolutions were passed by the Partners (the “**Resolutions**”) at a Partners’ meeting held on 14 September 2018, among which, the Partners unanimously approved and resolved that: -

- (i) the payment method of Capital Contribution in the Fund shall be changed from one-off payment to payment by installments, of which, each Partner shall contribute one-third of its agreed Capital Contribution as first installment (the “**First Installment**”), which shall, in aggregate, amount to RMB100,000,000;
- (ii) time and payment method of subsequent Capital Contribution shall be discussed and determined by the Partners in a Partners’ meeting and none of the Partners shall be obliged to make further capital contribution after the end of the investment period;
- (iii) paid-up capital exceeding the First Installment, being an aggregate amount of RMB200,000,000, shall be returned to the Partners on a pro rata basis, of which, RMB2,000,000, RMB49,274,000, RMB49,320,000 and RMB99,406,000 shall be returned to Shenzhen NSYSSD, the Company, Shenzhen Huitong and Fujian Start respectively; and
- (iv) the terms of the Limited Partnership Agreement shall be amended and varied accordingly.

According to the Limited Partnership Agreement, the management fee payable to the General Partner shall be calculated based on the total actual capital contribution of the Partners. The Partners further resolved that for the period from the date of the Resolution to the end of 2018, any excess management fee paid to the General Partner arising from the change of the actual Capital Contribution, shall be brought forward to 2019 and be deducted as part of the management fee payable to the General Partner for 2019.

SECOND SUPPLEMENTAL AGREEMENT

The Board announces that on 14 September 2018 (after trading hours), a second supplemental agreement to the Limited Partnership Agreement was entered into among Shenzhen NSYSSD, Shenzhen Huitong, Fujian Start and the Company (the “**Second Supplemental Agreement**”). The principal terms of the Second Supplemental Agreement are set out as follows: -

- (i) The capital contribution shall be made by each Partner in accordance with the written payment notice issued by the General Partner. Each of the Partners shall contribute one-third of its agreed Capital Contribution as first installment within 30 business days from the date when both the Fund is established and the General Partner is registered as a private equity fund manager. The First Installment is in an aggregate amount of RMB100,000,000 of which, Shenzhen NSYSSD shall contribute RMB1,000,000, the Company shall contribute RMB24,637,000; Shenzhen Huitong shall contribute RMB24,660,000 and Fujian Start shall contribute RMB49,703,000 respectively.
- (ii) Time and payment method of subsequent Capital Contribution shall be approved and resolved by the Partners contributing not less than two-thirds of the total Capital Contribution in a Partners’ meeting.
- (iii) Should there be any Capital Contribution remain unpaid by the Partners, after the end of the investment period, which is the first four years of the duration of the Fund, they are not obliged to make any further Capital Contribution.
- (iv) Save for the amendments or variations set out in the Second Supplemental Agreement which shall be effective from the date of signing of the Second Supplemental Agreement (i.e. 14 September 2018), all other principal terms of the Limited Partnership Agreement shall remain unchanged.

The terms of the Second Supplemental Agreement were agreed between the Partners through arm’s length negotiations. The Directors are of the view that the entering into of the Second Supplemental Agreement will not change the total capital commitment of each Partner in the Fund and the proportion of the capital contribution of each Partner. As such, the amendments under the Second Supplemental Agreement do not constitute material variations of the terms of the Limited Partnership Agreement. Given that by entering into of the Second Supplemental Agreement, the Company can re-liquidate its capital, thereby increasing its

cash-flow which allows the Company to reallocate its resources for better investment, the Directors consider that the terms of the Second Supplemental Agreement are on normal commercial terms, fair and reasonable and are in the interests of the Company and its Shareholders as a whole.
